## CCUA Celebrates 30<sup>th</sup> Anniversary

*Three Decades of Service to Clay County Community*

*MIDDLEBURG, Fla., September 30, 2024* –Clay County Utility Authority (CCUA) is celebrating its 30<sup>th</sup> anniversary of service to the Clay County community. On October 1 at 2:00 p.m., a proclamation will be presented at the Board of Supervisors meeting at our office, 3176 Old Jennings Road, Middleburg, FL, to recognize the anniversary.

"CCUA has come a long way over three decades and we plan on continuing our conservation efforts, long term water supply development, and overall customer experience. With the CCUA customer as our focus, our organization will continue to provide our customers with the long-term value at the lowest reasonable cost", said CCUA's Executive Director, Jeremy Johnston.

CCUA was established in 1994 by the Florida Legislature as an independent special district. Our mission is to provide long term sustainable value to our customers by conserving and protecting natural resources while providing clean, safe, and economical water, wastewater, and reclaimed water services.

###

### **About Clay County Utility Authority (CCUA)**

*CCUA is a public utility that manages over 55,000 customer accounts (in the unincorporated area of Clay County and parts of Duval and Bradford Counties) and has nearly 200 employees. We also maintain over 200 pump stations, 22 water treatment facilities, and 7 wastewater treatment plants and 1,500 miles of utility pipe. CCUA exists as a Special Legislative District, created out of an act of the Florida Legislature in 1994. Our organization is working to protect public health, conserve natural resources, and create long-term value for our ratepayers.*
