Shop Drawings and CCUA's Approved Materials List Form
Contractor's Acknowledgment

Date: _____

Project Name: _____

The undersigned does hereby acknowledge and agree to provide only materials which are in accordance with CCUA's specifications, details, and its Approved Materials Manual.

Manholes shall be designed in accordance with CCUA's Standard Details, and it shall be the contractor's responsibility to verify that they are designed and built accordingly.

Correction, removal, and replacement of all Non-Compliant items shall be the contractor's responsibility and expense.

Acknowledged By:

Company Name: _____

Authorized Signature: _____

Title: _____

Address: _____

Telephone Number: _____

NOTE: (1) This form shall take the place of individual shop drawings for each item of materials with the following exceptions: any alternate materials requested by the Engineer; any material not listed in the CCUA's Materials Manual; and submittals associated with pumping stations and plant installations. Those exceptions shall have an individual shop drawing submitted for CCUA's review and approval prior to any installation of said materials. Please attach your executed acknowledgement from each individual supplier you plan to use on the project.

(2) **This is CCUA's procedure and it does not preclude the design engineer from requiring additional submittals and shop drawings as he deems necessary for the project.**
