NOTE: (1) This form shall take the place of individual shop drawings for each item of materials with the following exceptions: any alternate materials requested by the Engineer; any material not listed in the CCUA's Materials Manual; and materials associated with pumping stations and plant installations. Those exceptions shall have an individual shop drawing submitted for CCUA's review and approval prior to any installation of said materials.

(2) **This is CCUA's procedure and it does not preclude the design engineer from requiring additional submittals and shop drawings as he deems necessary for the project.**
